Lockwood School District 26 Technology Permissions

Internet and Lockwood School Website

The Lockwood staff and administration support the Internet and electronic media as a vital tool for learning and are pleased to offer students of the Lockwood School access to the districts computer network for electronic mail and the Internet. Lockwood educators' have been trained to use Internet resources as tools to meet curriculum objectives and will use the Internet in teacher guided presentations.

To gain INDEPENDENT access to e-mail and the Internet, all students must obtain parental permission and must sign a permission form.

In addition to permission for internet & e-mail use on campus, parents are asked to make a series of permission choices regarding the display and publishing of your child's, work or photograph on our school website while he or she attends Lockwood School. (By policy, last names of students will not be published on the Lockwood school website.) All permissions will remain in place as indicated on student registration form unless a new form is completed by a parent or guardian.

POWERSCHOOL STUDENT INFORMATION SYSTEM

You can access your child's attendance record, grades, lunch account balance and correspond with his/her teacher via the Internet through the **PowerSchool** information system.

You will be assigned a confidential Access ID and Password for the **PowerSchool** program that will allow access to your child's information. This website and all associated data is safeguarded to protect against loss, unauthorized access, destruction, misuse, and improper disclosure. You will receive your child's Access ID and Password from your building secretary upon your request along with instructions on how to get started.

Your ID and Password to access the **PowerSchool Parent Portal** should be available 48 hours after your students first day at Lockwood School.
